

The latest news for Minnesota Housing's COVID-19 Homeowner Assistance Fund Program

Greetings,

Minnesota Housing is planning two upcoming engagement sessions to inform the design of its new COVID-19 Homeowner Assistance Fund, which will be called HomeHelpMN. As a federally funded program to assist Minnesotans struggling with their housing costs due to the impact of COVID-19, we view it as a companion program to RentHelpMN.

Housing Partners Input Session

We invite our housing partners to a virtual engagement session on **Thursday, June 3 from 11:00 a.m. - 12:00 p.m.** to inform the design of Minnesota Housing's HomeHelpMN COVID-19 Homeowner Assistance Fund program. The \$128 million federal program will help homeowners who are struggling with their mortgage or other housing-related costs due to the economic impacts from the COVID-19 pandemic. For more information, please see the [U.S. Department of the Treasury's guidance](#).

The housing partner engagement session will feature:

- A brief overview of the Treasury's program requirements and next steps in program development
- Key program design input from Minnesota Housing's recent HomeHelpMN COVID-19 Homeowner Assistance Fund survey
- An opportunity to provide early feedback on key aspects of program design:
 - Targeting and program assistance principals
 - Program delivery design and application processing
 - Outreach and marketing
